

The cost of delivery of a suspension of "Tinowa"

Delivery of the suspension is made from the manufacturer's factory to the customer's address. The plant is located near Karlovy

Vary in the Czech Republic.

- Delivery is for private customers via Czech mail.
- Delivery to wholesale buyers - by road or rail container as agreed.
- The cost of delivery by road or railway container to the city will be determined upon receipt of the application from the wholesale buyer.

Delivery of the suspension to private customers.

Tariffs for the delivery of the ordered suspension by sending by Czech post are established by countries, that is, do not depend on the location of the city in the state.

When shipped via EMS fast mail - the shipping cost increases.

When sending the order by sending the Czech post sends it from the Czech Republic within 3 days.

Supply of "Tinowa" suspension for private customers to the countries of Europe, Asia, America, Australia, New Zealand and Africa.
